If unrepresented lapel pins need to be returned to the program office, please indicate and we will send you a shipping label.) The 6994th Security Squadron held its annual reunion at the Holiday Inn, Fairborn, Ohio, August 17-19, 2017. These USAFSS veterans operated and maintained the electronic airborne radio direction finding and signals collection equipment aboard the EC-47 aircraft deployed to seven locations within southeast Asia during the Vietnam War. The EC-47 History Site CPP committee co-chairmen, both 6994th Security Squadron veterans, organized a Commemoration program to welcome home and pay tribute to these Vietnam War veterans and their families as part of the annual celebration of the 1966 activation of the squadron at Tan Son Nhut Air Base, South Vietnam. Throughout the reunion weekend, veterans and their families were treated to a golf outing, pizza party, and hospitality suite gatherings. They visited the National Museum of the U.S. Air Force on Wright-Patterson AFB and conducted a remembrance ceremony at the EC-47 memorial plaque in the center gardens. The commemoration Welcome Home program was conducted immediately following the evening dinner. The squadron reunion leadership, Rick Yeh, Rich Krejsa and Bob Hull, were joined by the Dayton Vietnam Veterans of America, Chapter 97 leaders Stephen Ratcliffe and David Fuchs, and the Heritage Chapter of The Freedom Through Vigilance Association vice-president, Ed Bendinelli, for the presentations of the commemorative lapel pins, unit and chapter certificates and commemorative materials. This was the fourth occasion to recognize a total of nearly 135 squadron veterans over the past two years. The commemoration program included the showing of a declassified operations video and the Commemoration video tribute to Commemorative Partners. The EC-47 History Site received excellent support from the Commemoration and the program was well received and appreciated by everyone that attended. Squadron photos attached.
