Reunion agenda changes

This year, we will have a slightly different agenda for the reunion. While in the past our reunions have officially begun on Thursday, with some members arriving on Wednesday, due to availability, this year we will not have a hospitality suite set up until Friday – 15th August. Registration will be held in our hospitality suite beginning on Friday morning. However, early arrivals can just relax around the common areas of the hotel. Every evening, there is a complimentary reception with light snacks and beverages served, and we have been encouraged to participate in that reception.

As alternatives, on Thursday, members can take tours of local attractions like the Motts military museum, the Columbus zoo and aquarium or play a round of golf at a local course.

In a more substantial change, we will not be allowed to serve alcohol in our hospitality suite during the course of the reunion. There is a hotel bar where alcohol can be purchased, and we are free to walk about the premises with beverages from the bar. Of course, Dani will be available to help with our beverage needs.
